USER MANUAL

- **Unbox and Inspect:** Remove the Air Bar disposable vape from its packaging and inspect it for any visible damage.
- **Remove Silicone Plug:** Some Air Bar models come with a silicone plug covering the mouthpiece. Remove this plug before using the device.
- **Draw Activation:** The Air Bar is draw-activated, meaning there are no buttons to press. Simply bring the mouthpiece to your lips and take a gentle inhale to activate the device.
- **Puff:** Inhale slowly and steadily, allowing the vapor to enter your mouth. The device will automatically activate and produce vapor as you draw.
- **Enjoy:** Once activated, enjoy the smooth and flavorful vapor produced by the Air Bar.
- **Dispose:** When the device no longer produces vapor or reaches the end of its lifespan (usually indicated by the lack of flavor or diminished vapor production), responsibly dispose of the Air Bar in accordance with local regulations.
- **Storage:** Store any unused Air Bar devices in a cool, dry place away from direct sunlight and extreme temperatures.
