## 5000 Puffs

Disposable Vape

# USER MANUAL

# Introduction

Introducing the Dark Knight Aroma King 5000 Puffs—a revolutionary disposable vape device that combines sophisticated design with exceptional functionality. Engineered for convenience and prolonged enjoyment.

# Stand Out

It is a standout product among Disposable Vapes, featuring a sleek design and delivering up to 5000 puffs of rich flavor. Perfect for vapers seeking convenience and power, it sets itself apart with its impressive longevity and bold vaping experience.

# Capacity & Flavors

The Dark Knight Aroma King 5000 Puffs—a pinnacle in disposable vapes, offering an extensive flavor range from classic tobacco to vibrant fruit blends. With its generous 5000-puff capacity, it ensures lasting satisfaction without the need for refills or recharges.

# Battery

The Dark Knight Aroma King 5000 Puffs likely has a battery capacity of around 850mAh. This capacity allows the device to provide sufficient power to deliver the advertised number of puffs before the battery is depleted.

**850mAh**

## ***FEATURES***

The Dark Knight Aroma King 5000 puffs offers extended vaping enjoyment with its high capacity and robust flavor profile.
